To teach is to touch a life forever

A PRAYER

Another day has dawned
another day of service
as I go to teach, O God,
I seek your blessings.
Give me light and grace,
To lead the students in ways
Of Truth and Justice.

I am unable, I am small,
Unless you help me every moment;
Teach me that I may teach;
Fill me with your light,
So that I may be a ray of hope and light
To my students and to my colleagues.

Grant me your wondrous love, that
I may touch the hearts of my pupils
And turn their eager mind to noble goals.

Grant me Your patience,
So that I may deal with them gently,
Let me be kind to them
Grant me your strength, your love,
Your wisdom deep and free.
Thus this day may be bright
And blessed for all of us.

Amen.

To
The Head Teacher

Respected Sir / Madam,

1999 – 2000 was the year of inception of '**SAMRAT – TAP THE TALENT EXAMINATION**' conducted by the 'Sanskar Vikas Society's **Samrat Academy**.

When we look back, an immense feeling of satisfaction envelops us. As years roll by the number of participants appearing for this challenging examination is growing by leaps and bounds. **(The year 2007 saw 17,000 students appearing for the exam)**

Nothing happens overnight. The results are the consolidated effort of the dedicated & sincere work put in by a panel of educationists, paper setters, moderators, examiners, invigilators & by all those schools who have placed immense trust & faith in us.

As we gear up to prepare our students for the challenges of tomorrow, we keep in focus the changing needs & demands of the society.

With this in view, our paper setters set papers which evaluate logical thinking & reasoning ability of the children, rather than rote learning & memorization.

Our participants have always found these tests challenging & interesting.

We are happy to forward our tentative examination schedule for this year, so that you can plan in advance and train your students to be a part of our ***Tap the Talent family***.

We sincerely wish that you encourage your students to enroll for these examination & help us in achieving our goal of building **STRONG MINDS**.
